

THE ARIZONA STATE BOARD OF ACCOUNTANCY

INFORMATION FOR APPLICANTS FOR THE UNIFORM CPA EXAMINATION

The Arizona State Board of Accountancy (Board) and the National Association of State Boards of Accountancy (NASBA) have a contractual agreement for the administration of the computer based Uniform CPA exam. Please read this information before completing the application form. Candidates are also encouraged to read The Uniform CPA Examination Candidate Bulletin available through NASBA at www.cpa-exam.org.

APPLICATION FORM

RE-EXAM applications can only be completed by those who have previously taken the exam in Arizona and are still in the process of passing all four sections of the Exam within the conditioning period.

APPLICATION AND EXAMINATION FEES

The application fee, payable to the Board, is **\$50 for re-exam candidates** (do **NOT** include NASBA fees). This fee may be refundable, if based on good cause or requested prior to the issuance of the Authorization to Test.

EXAMINATION SECTIONS – FEE AND LENGTH

APPLICANTS WITH DISABILITIES

In accordance with the provisions of the Americans with Disabilities Act, examination administration modifications are available for applicants who qualify. Modifications must be approved by the Board.

Applicants must complete and submit the request each time they apply for the examination and require special modifications.

Title 2 of the Americans with Disabilities Act (ADA) prohibits the Arizona State Board of Accountancy (Board) from discriminating on the basis of disability. Individuals with disabilities who require special accommodations for the examination or who require the information in an alternate format may contact the Board's Executive Director at (602) 364-0804 to make their needs known. Questions, concerns, complaints or requests for additional information regarding the ADA may be forwarded to the Executive Director, 100 N. 15th Ave., Ste 165, Phoenix, Arizona 85007.

AUTHORIZATION TO TEST AND NOTICE TO SCHEDULE

After eligibility to take the examination is determined by the Board, the applicant information will be transmitted to NASBA. Once verified, NASBA will send the candidate an Authorization To Test (ATT) containing the required exam fees. Only one ATT may be open at any particular time. Once NASBA has collected the necessary fees, it will then issue a Notice To Schedule (NTS) to eligible candidates. The NTS is sent to candidates by the method of notification indicated on the application. Once the NTS has been received, candidates are eligible to contact Prometric to schedule their examination section(s). For a list of test centers, visit Prometric's web site at www.prometric.com. Arizona has several sites available. Check each site for its ability to meet special accommodations. The Arizona State Board of Accountancy does not control scheduling, space availability or location of the test centers. Once an NTS has been issued, candidates have six months in which to schedule and take the approved examination section(s). After six months, the NTS expires and the candidate must re-apply.

Candidates who need to reschedule, must contact Prometric directly. Check the Candidate Bulletin for rescheduling fees.

EXAMINATION CREDIT

Candidates may take the required sections individually and in any order. Candidates who pass a section will be granted credit for the section passed. The passing grade for each section is 75. Credit for any section passed shall be valid for eighteen (18) months from the date the candidate took that section without having to attain a minimum score on any failed section. Candidates must pass all four sections within that eighteen-month period to pass the exam. Candidates who do not pass all four sections within the eighteen months shall lose credit for each section passed outside the period and must retake that section(s). Candidates cannot retake a failed section(s) within the same two-month testing window.

NAME OR ADDRESS CHANGE

Any name or address change must be reported to the Board, in writing, with the candidate's signature, and any necessary official documentation (e.g. copy of marriage certificate). Because of the security measures taken by Prometrics, two types of identification are required to sit for the exam. One form of identification must have a photo and both must indicate the same name as indicated on the application. Failure on the candidate's part to always maintain accurate information with the Board or NASBA may be cause for halting the exam process.
